Rust Reformer

Chemically converts rust into a smooth, paintable finish without sanding.

Metal Primer

Bonds tightly to metal to provide superb adhesion for finishes. Easy to cover with any top coat colour.

Rust Releaser

Rust Releaser loosens up metal objects that have been bonded by rust. Ideal for locks, screws, bolts, etc.

• TRUSTED QUALITY SINCE 1921 •

RUST-OLEUM®

RUST PREVENTION

Offers superior protection against rust and corrosion.

WEATHER RESISTANT

Flexible paint film expands and contracts with changing temperatures. Resists cracking and peeling.

LASTING COLOUR & GLOSS

Excellent UV protection against fading.

SUPERIOR COVERAGE

Covers faster and goes further than other brands.

EASE OF USE

Any-angle spray with comfort tip.

Gloss

Flat

Semi-Gloss

Bright Coat

Creates a distinctive, shiny metallic finish on lamps, pottery, planters and more. For indoor decorative use only.

AntiSlip

Provides a slip-resistant coating to create traction on slick surfaces. Ideal for both indoor and outdoor applications

RUST-OLEUM®

FAMILY OF FINISHES

RUST PREVENTION

Offers superior protection against rust and corrosion.

WEATHER RESISTANT

Premium formula resists cracking and peeling.

LASTING COLOUR & GLOSS

Excellent UV protection against fading.

ELEGANT COLOURS

Decorator-inspired finishes.

EASE OF USE

Any-angle spray with comfort tip.

Satin

A classic low-sheen finish for indoor/outdoor projects. Creates a durable protective surface.

Metallic

Creates a classic metallic finish that is durable and protective. For indoor/outdoor projects.

Hammered

Applies directly over rust to seal underlying surface against rust and corrosion. Hides flaws and imperfections in scratched, rusted and pitted metal with a rich, distinctive hammered look.

Multicolor Textured

A high-end, one-step spray paint with multiple colours in one can. A creative way to revitalize outdoor patio furniture.

Textured

Creates a durable, protective coating in a contemporary textured finish. For indoor/outdoor projects.

Glow In The Dark

Superior latex formula applies easily, dries fast and glows for hours. Great for kids' rooms, garages, crafts and even holiday décor.

Triple Thick Clear Glaze

Creates a glazed high-gloss look without the heat. Non-yellowing. Great for use on wood, metal, glass, plastic, ceramic and more.

Cement

Innovative paint that provides the natural look and feel of cement in an aerosol. Cement paint transforms any object to look as if it is made of cement.

• TRUSTED QUALITY SINCE 1921 •

RUST-OLEUM®

SPECIALTY

ChalkBoard

Creates a writeable, erasable, scratch-resistant surface. Use on wood, metal, plaster, glass, drywall and more.

Glitter

Offers an intense sparkling finish for any craft or decorative project. Provides coverage of radiant shimmer to many surfaces, including wood, metal, wicker, glass, ceramic, pottery, craft foam, paper and plastic.

Magnetic Primer

Creates a surface that attracts magnets in kids' rooms, offices... anywhere. Premium latex formula applies easily and provides a magnetic finish that can be top coated with any latex paint, or even our ChalkBoard paint.

Metallic

A sparkling, rich metallic finish perfect for decorating accent pieces. Fast-drying formula, made with real metal leaf flakes, can be used on any indoor surface.

Mirror Effect

Creates a mirror-like finish by spraying the reverse side of glass and acrylic glass. Ideal for vases, candle holders, lamps and more.

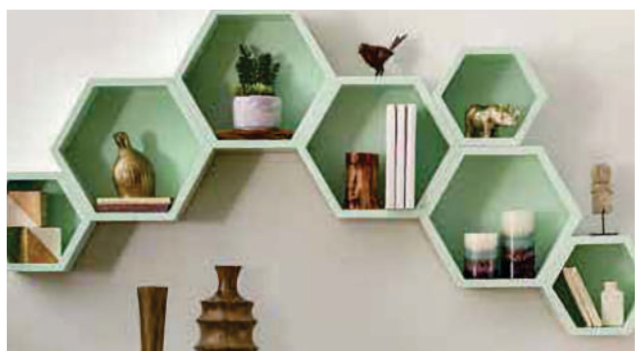

Frosted Glass

Semi-transparent frosted coating for privacy or decorative uses. Designed to give a decorative etched glass look to windows, mirrors and shower doors.

High Heat

Premium, fast-drying formula offers superior durability for indoor and outdoor high-heat applications. Satin finish. Resists heat up to 649°C. Use on BBQs, wood burning stoves, fireplaces, engines and more.

High Heat Ultra

Rich semi-gloss finish resists heat up to 649°C. It offers superior durability and colour retention for indoor and outdoor high heat applications. The best high heat paint in the marketplace.

Appliance Epoxy

Tough, durable epoxy coating is formulated for the special needs of appliances, cabinets and other indoor metal applications. Superior abrasion and scratch-resistance. Provides washable, moisture-resistant finish.

Appliance Epoxy Touch-Up

Ideal for repairing scratches and chips on the exterior of stoves, refrigerators, washers, dryers, dishwashers, and other metal, porcelain & enamel surfaces.

Tub & Tile

This durable, high-performance epoxy acrylic paint combines the performance of a professional quality formula with the convenience of a consumer-friendly process.

Tub & Tile Touch-Up

Ideal for repairing scratches and chips on tile, tubs and enamel sinks. Quick-dry acrylic lacquer formula provides a long-lasting, high-gloss finish.

Polyurethane

Creates a clear protective finish against scuff marks, abrasions and chemicals. May be used over wood, metals and painted surfaces. Outlasts varnish 2 to 1.

Lacquer

Professional, high-luster look, popular on furniture and accessories. Fast-curing formula hardens faster than regular paints. Provides an ultra-rich, ultra-hard, factory-like finish on wood, metal and more. Smoother finish can be polished to an even higher level of gloss.

Flourescent

Special colour-dyes make these colours rich and vibrant. Ideal for bringing bright colour to sporting goods, crafts, toys, kids' décor and more. Great for stencilling, marking, colour coding, and wherever high visibility is desired.

Camouflage

Provides the outdoor enthusiast with non-reflective, camouflaging, nature-inspired, "dead-flat" colours.

Plastic Primer

Prepares plastic for painting with any top coat. Apply directly to plastic mailboxes, lawn chairs, storage lockers and more.

Comfort Grip

Ergonomic design provides maximum control and comfort when spraying any painting project.

Economy Spray Grip

Turn any spray can into a spray gun. Provides more control for a professional finish. Keeps hands clean. Easy slide-on grip fits most spray cans.

Fluorescent

An exclusive formulation resulting in a matt finish that does not crumble, flake or rub off. Ideal for bikes, off road vehicles, skateboards, helmets, signs, identification markings, hazardous warning signs and many other applications.

SPRAYMATE[®]
A WORLD OF COLOUR

Hi Heat

Developed and tested to withstand temperatures of 350C. Can be used on exhausts, manifolds and many other applications that are exposed to high temperatures. Dries to a velvet satin/matt finish. No primer needed.

Hammertone

A high covering unique hammered finish spray paint. Ideal for spraying safes, machines, office furniture, garden tools, toolboxes and more.

Engine Enamel

A high-gloss polyurethane enamel suitable for surfaces that sustain high temperatures such as engines and heated pipes. Specially developed with heat resistant properties to withstand temperatures of up to 110C. There is no peeling or cracking, just a durable lasting finish.

Metallic

Manufactured with a metallic flake giving a shiny, metallic finish. Suitable for wood, metal, stone and plastic surfaces.

Chalk Board

A lacquer-based paint which forms a writable and erasable chalkboard finish.

Anti-Tarnish

A transparent and protective coating with excellent adhesion to silver, copper, nickel, tin and brass. Prevents discolouration and acts as a protective layer through which liquids and other chemicals cannot penetrate.

Artist Fixative

A fast drying fixative that provides 100% protection against dusting, smudging and fading to most forms of dry media.

SPRAYMATE
A WORLD OF COLOUR

Penetrating Wood Stain

A spirit based formula which colours and re-invents wood while still keeping the original wood texture and grain.

Sanding Sealer

A nitro cellulose formula used to fill grains and pores in timber without hiding the unique texture and grain in wood. Can be used on stained or unstained wood.

Polyurethane Top Coat

A clear polyurethane coating that seals and protects wood, giving a tough and long-lasting beauty.

Microwave Spray Paint

A specially formulated glass paint used for coating and revamping microwave interiors and exteriors.

Sandblast Spray

A semi-transparent glass coating that gives a sand-blast effect. Only silhouettes are visible when sprayed onto glass. Can be used on glass, mirror and over stencils.

RUST-OLEUM®

Chalked

ultra matte paint

TRENDY

Creates a vintage look that dries to a velvety smooth finish.

EASE OF USE

Easy preparation – no stripping or sanding, and one coat coverage.

CUSTOMISATION

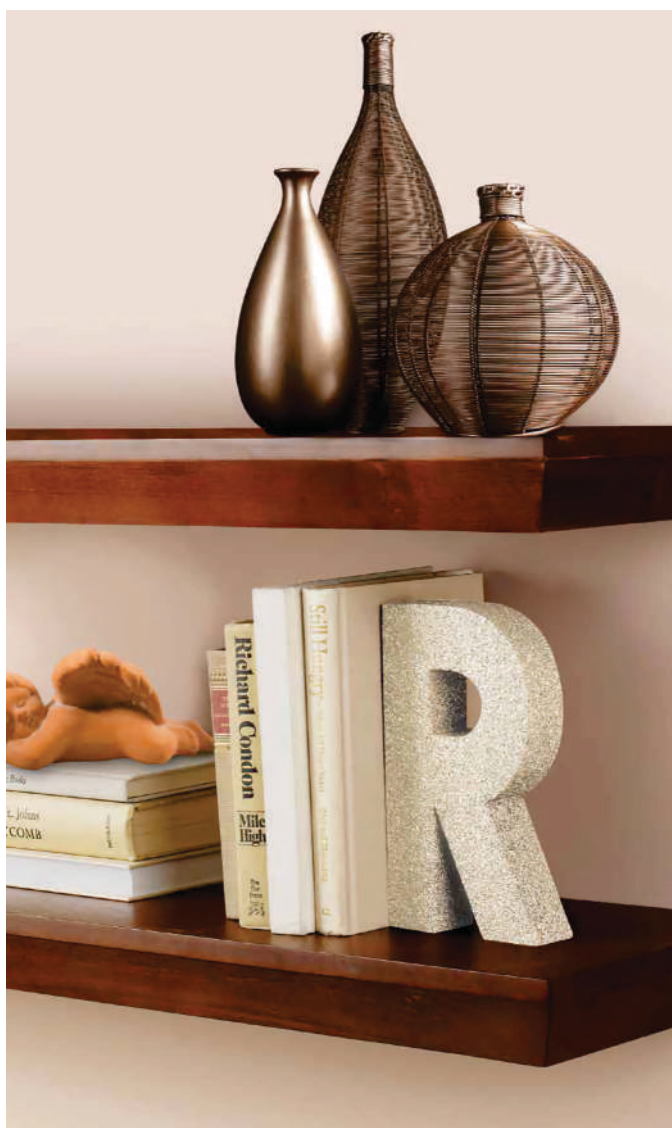

Can be painted to create a distressed finish or to create a unique one-of-a-kind look.

MULTI-SURFACE

Use on wood, metal, ceramic, canvas and more.

RUST-OLEUM®

QUALITY

Long lasting durability delivers corrosion protection from harsh industrial environments.

CONVENIENT PRO RANGE

Commercial sizes for large projects.

MINIMAL DOWNTIME

High coverage paints cover faster, go further and last longer than other brands.

Professional Galvanizing Compound

A zinc-rich coating with superior corrosion resistance. Best for recoating galvanized steel, sheet metal, and fences.

Cover Stain

Oil-based whole-house primer-sealer blocks stains, hides dark colours, prevents tannin bleed and penetrates and seals wood.

- Best for sealing water, smoke and nicotine stains and porous surfaces
- Interior and exterior use
- Fast dry time, re-coat in 1 hour

PRIMERS

INNOVATIVE PROBLEM SOLVERS

From sealing porous brick and bare wood to painting glossy tile and bare metal.

PRO-ENDORSED BRANDS

Tried and true Bulls Eye 1-2-3, and Cover Stain offer a history of unmatched quality.

HIGH HIDE MULTI-PURPOSE PRIMERS

Block stains, mask odours and cover dark colours in one coat.

INNOVATIVE SPECIALTY PRIMERS

Stop peeling paint, kill mould, seal torn drywall and adhere to slick surfaces.

CONVENIENCE

Range serves the full breadth of homeowners' primer painting needs.

Bulls Eye 1-2-3

Our most popular water-based primer because of its multi-surface capability, interior/exterior use and low odour.

- Best for hiding previously painted surfaces
- Seals stains, graffiti and tannin bleed
- Mould & mildew resistant

Covers Up

A ceiling paint & primer in one that features a vertical aerosol spray.

- Best for killing stains and quick ceiling paint touch-ups
- Flat white finish matches most ceiling tiles
- Great hide – non yellowing
